Opportunity for Teacher Leaders to Earn \$400

Who:

- TK-12 classroom teachers or curriculum specialists in any U.S.
- Have at least 5 years of teaching experience

What:

- Enroll in the online EcoBlitz Microcredential Course at Cal Poly Humboldt College of Extended Education & Global Engagement (May 1-31, 2024). [Link here](#)
- Complete the course and all course deliverables (approximately 20-25 hours)
- Share lesson plans and/or course activities after the course is finished
- Be willing to train teachers at your school and/or district in the future
- Earn \$400 for your time and expertise for completing all of the deliverables (this is also intended to cover the \$150 registration fee)

Why:

- Learn how to implement interdisciplinary environmental education lessons and activities into your existing curriculum
- Earn Professional Learning Units (2 units available for a separate price after the course)
- Earn a microcredential badge for salary increases and professional development
- Learn from other like-minded educators enrolled in the course (open to teachers around the country)

FAQ:

- Contact Dr. Kimi Waite with questions (admin@ecoblitz.education)
- Expression of interest due by April 25, 2024
- The EcoBlitz Microcredential is supported by a grant from the National Geographic Society and is a continuation of a fellowship project with the North American Association for Environmental Education
