Moving Forward to Normal.
Welcome to the OLLI at HSU summer term. A year ago, we spent the summer learning we could gather as a lifelong learning community via Zoom, and stay connected – even though circumstances required us to remain apart from one another. As we look to our new membership year in OLLI, we realize there are things we have learned through the pandemic which will help us define “normal” in new ways.

The OLLI membership year begins July 1st, so now is the time to renew your membership in our lifelong learning community. OLLI classes will remain online this summer. As always, our Monday Brown Bag Lunch presentations are free to all, and the recordings are available on the OLLI at HSU website (p. 17).

We are looking toward to a fall offering OLLI hybrid learning opportunities and outdoor experiences.

OLLI does not receive funding or support from HSU, and relies on membership fees, donations and course fees to run this lifelong learning institute. Now more than ever, we extend our deep gratitude to the many members of the Friends of OLLI group (p. 20), who generously share their resources to make it possible for OLLI at HSU to offer scholarship opportunities, Let’s Connect conversations on Fridays, captioning services for online classes, and free weekly Brown Bag Lunch Presentations to provide learning for everyone. OLLI offers the opportunity for Friends of OLLI, who contribute $15 per month or more, to have their membership automatically renewed year after year. More information can be found on the OLLI website.

Thank you for being a part of the OLLI at HSU community. We are excited to move forward to normal with you.

Sheila Rocker Heppe, OLLI Director & Kim Laney, OLLI Coordinator

Special Interest Groups (SIGs) are formed by members who took an OLLI course together, who share interests and want to continue to meet on a regular basis. A SIG is not intended to be a class, nor to replace what is presented in OLLI classes, but rather to build on that knowledge and to discuss topics more in depth.

One of the benefits of being an OLLI member is the opportunity to participate in SIGs; they are open to OLLI members only. Currently two SIGs are active and meeting online, via Zoom: The Book Group and the Sea Level Rise & Humboldt Bay Group. If you would like to start your own SIG, call OLLI at 826-5880.

Explore tax-wise ways to support OLLI.

You can even give, then receive retirement income!

Leave a legacy:

OLLI at HSU is honored by people like Jerry and Gisela Rohde, who have included in their estate plans a Charitable Bequest contribution to OLLI at HSU. Often referred to as “remembering us in your will” or “leaving a legacy” — charitable bequests cost you nothing now, though they enable you to make a meaningful future gift to OLLI.

Want to help OLLI, but finances are tight?

Explore another option called a Charitable Gift Annuity — providing you with a lifetime income, tax benefits, and a future gift to OLLI at HSU. Enjoy more retirement now — a Charitable Gift Annuity is a simple contract between you and our charitable annuity program. You make a contribution, and we agree to pay you a guaranteed, fixed income for the rest of your life. The income rate is based on your age at the time you establish your charitable annuity, ranging from 4.4% to 9%. Better yet — part of your income is typically tax-free, and you may be able to take a one-time charitable tax deduction when you file your tax return.

Not yet retired?

You can create another type of charitable annuity called a Charitable Retirement Account that allows you to set aside assets today to generate an attractive, fixed-income when you retire. You may even save taxes now, with a one-time charitable income-tax deduction.

How does OLLI benefit?

When your Charitable Gift Annuity or Charitable Retirement Account concludes, the remaining assets come to OLLI to keep it thriving into the future.

Join the challenge and increase your income.

Jerry and Gisela Rohde have championed OLLI at HSU — they both established charitable gift annuities, and have issued a challenge to other members to join them. Join the challenge and increase your income.

Our philanthropy advisors can help you explore the options. Learn more:
